Narooma High School Swimming Carnival 2014

Attention interested parents and students attending Narooma High School next year ~ The annual Narooma High school swimming carnival will be held at the Narooma indoor swimming pool on Wednesday 5 February 2014 (week two term one).

The carnival is **compulsory for all Year 7 students** and is **open to interested students and competitors in Years 8 to 12**. The carnival provides a great opportunity to meet new friends and compete in a safe and friendly environment. The carnival offers a variety of competitive races as well as novelty events to help cater for student’s physical capabilities. A detailed copy of the swimming carnival program can be located on our school website at [www.narooma-h.schools.nsw.edu.au](http://www.narooma-h.schools.nsw.edu.au).

We encourage all students who will be attending Narooma High School next year to complete some training in the Christmas holidays to build their fitness in preparation for our swimming carnival. If any parents are willing to volunteer their time on the day please contact me at Narooma High on 02 4476 4377 during working hours or drop me an email on [dion.cafe@det.nsw.edu.au](mailto:dion.cafe@det.nsw.edu.au).
