STUDENT OF THE YEAR
NAROOMA QUOTA INT
All students in Years 9, 10 and 11 living at Tuross and south to the Bega area are invited to enter the Quota Student of the Year Quest.

This quest gives students experience in both interviews and public speaking. It targets aspects of grooming and presentation; citizenship; cultural and/or social participation; leadership potential and most importantly, knowledge of current affairs as well as public speaking.

- The major prize is $200 plus a certificate and trophy.
- The winner goes on to compete at District level.
- The Quest will be held on Tuesday June 25 at Club Narooma, Princes Highway Narooma.

Nomination forms and information booklets are available from the front office or the English head teacher. This is a wonderful opportunity to engage in the interview process and to add a valuable extra to your C.V.

More information may be obtained by contacting Rosemary Towers 4476 2614 or Carol Mead on 4476 4112.

STUDENT HEALTH INFORMATION
We welcome information from parents about your student’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your student. It is also important that you let us know if your student’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your student’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your student’s health needs or as otherwise required by law.

TENDER
The music department has some old equipment that is open to purchase by tender. Most is in a poor condition or faulty. Several speakers, guitar amplifiers, old synthesisers, a mixing desk and a keyboard amp are available.

Equipment can be viewed in the music rooms. For further information contact Dan Efraemson at the High School.
