PARENT/TACHER MEETINGS
Our whole school parent/teacher meetings will be held in the school hall on Tuesday 11 June 2013 starting at 4.00pm. These meetings have a great deal of value for both parents and teachers. They allow a frank and honest exchange of views which leads to a better mutual understanding of problems which may exist, and in turn this can only be of benefit to the students themselves.

Students are most welcome to attend with their parents. Interviews will commence at 4.00pm and finish at 8.00pm.

Booking sheets have been handed out to all students. All students will be required to see their teachers prior to the meeting and book an appropriate interview time. This will be the responsibility of each student. If it is not possible for a suitable booking time to be made, parents could make alternative arrangements by contacting the teacher. The meetings will be greatly beneficial to all concerned.

PARENTING KILLS SKILLS
Are your children behaving just OK? Want some assurance on how to prepare them for those teen years? Parenting is a tough job. Most parents want to develop in their children some degree of responsible independence. This workshop gives foundational interventions that will keep them steady during those teen years. It is designed to give parents practical skills and strategies to make parenting less stressful.
