PARENT TEACHER EVENING – TUESDAY 17 JUNE 2014

Whole school parent/teacher meetings are on Tuesday 17 June 2014 starting at 4.00pm.

This year we are changing our booking system for interviews. Booking times for meetings with your child’s teachers are available online via the school’s Parent Portal. This will be the only way you will be able to arrange a meeting. The booking form can be accessed from the school’s webpage at: http://www.narooma-h.schools.nsw.edu.au. There is a live link available until Sunday 15 June (midnight) until which time interview bookings can be made.

A letter has been sent to each family with a Family Access Key for the Parent Portal and instructions for how to access your Parent Portal Account with Narooma High School.

Students are most welcome to attend interviews with their parents, (some parents prefer to bring their sons/daughters; others do not). Teachers readily give up their own time to attend these meetings, and I do ask you to make every effort to be present on that Tuesday night.

Interviews will commence at 4.00pm and finish at 8.00pm. We have allowed 10 minutes for each parent/teacher interview and I ask that in fairness to all, parents adhere as closely as possible to these schedules.

SPORTS SCIENCE VISIT

Students enrolled in Year 11 and 12 2 unit Personal Development, Health and Physical Education and Year 9 Physical Activity and Sports Studies participated in a sport science workshop at Narooma High School on Friday 16 May. The workshop was coordinated by Courtney Porter – a qualified sport scientist- from the South East Regional Academy of Sports (S.E.R.A.S). Students had the opportunity to participate in, as well as, collect data from a variety of tests. These exercises aimed to improve students’ knowledge about the components of fitness and to also investigate the vocation of sports/medical science. Narooma High has participated in this program for the last five years and was the first school on the far south coast to form a partnership with S.E.R.A.S. Mr Cafe, the head teacher of PDHPE at Narooma said “several of our students are choosing to pursue careers in health and sport science. Over the past 5 years we have had graduates from two unit PDHPE undertake, medical, applied science/physiotherapy, exercise science and nursing degrees at various universities.”

U15 BILL TURNER GIRLS AND BOYS SOCCER

The girls Bill Turner trophy team travelled to Bega on Friday 16 May for their second round match. The girls came together as a team extremely well however were beaten by a much older and established side. Keigan Tasker was outstanding in defence and then also playing goalie in the second half. Lilly Bennet made several breaks and when in attack no one could get near her, she was successful in finding the back of the nets for our only goal. Cassidy Ker and Hayley Stark were also very strong in the back with Tahlia Ardler, Tayla Butcher, Elissa Nicholson and Zayla Phillips working hard in the midfield. Up front Finlay Dibden and Grace Dibden made some great breaks and helped Lilly but could not get past Bega’s goalie. Kora Daly had a hard first half in goals and played in the back in the second half. Lucinda Yardley, our only reserve, had a busy day giving the girls a break. The girls are now keen to train and prepare for next year’s knockout aiming to improve their result.

The boys U15 Bill Turner Cup soccer side travelled to Eden on Tuesday 20 May for their second round knockout match. The boys put in a brave effort but were beaten by a much bigger and better Eden team. Campbell Allison, Tom Driscoll, Zac Martin and Sam Negus were the standout players but with no reserves, all the boys put in 100% effort on and off the field.
U15 AFL SWAN SHIELD

On Monday 26 May Narooma High played Batemans Bay in the 2nd round of the statewide Swan Shield knockout competition. In very warm, hazy conditions at Smyth Oval, the visitors got off to a fast start leading 4.6.32 to 2.3.15 at half time. In the 3rd quarter NHS got back into the game by kicking 4 goals to 2 to trail by a point at three quarter time. In a close last term the lead changed several times with Narooma kicking the last goal of the match to win 8.6.54 to 7.10.42.

Best players were Jai Reed, Jeremy Sly, Liam Clothier, Zac Martin, Ryan Shaw and Connor Breust. Goal kickers were Jackson Taylor with 2, whilst Jai Reed, Zac Martin, Liam Clothier, Jeremy Sly, Rory Spurgeon and Charlie Stokes all kicked singles. The next game is against Ulladulla High in week 7 for a place in the South Coast final.

NHS UNIFORM HOURS

Stitches of Batemans Bay run a uniform shop at Narooma High School which operates on:
- Monday mornings 8.30-11.30 and Thursday afternoons 12.30-2.00.
