HELP! MY CHILD IS DOING THEIR HSC!

Having a child studying for their HSC can be a daunting experience not only for the student, but for the family too! You are invited to attend a session on Thursday 26 February at 7.00pm in the Narooma High School Library, which will give an insight into different aspects of the HSC, as well as information on how Narooma High School assists senior students, parents and carers, if the need arises. Some areas for discussion include:

- What is the BOSTES?
  - What are ATARs?
  - How does the BOS come up with the HSC mark?
- How do Universities come up with ATARs?
- How and why students are ranked in their assessments?
- Why all assessment tasks are important?
- What is the Schools Recommendation Scheme?
- What is IN2UNI-MYWAY?
- Support available at school for the students.
- What is happening on Extension Wednesdays?

This will be an informal evening with plenty of time for questions. While the evening is directed at parents and carers of HSC students, any Parent is welcome to attend. Students are also welcome. If you have any questions, please contact the school on 4476 4377.

HASSETT CUP CRICKET

On Friday 13 February, Narooma High played Moruya High in the first round of the U14 Boys Cricket Knockout state-wide competition. In wet, showery conditions Moruya won the toss and elected to bat in a rain reduced 30 overs contest, scoring 4 for 160 off their allotted overs. Narooma used 9 bowlers with the pick being Liam Sweeney - 1 for 16 and Jeremy Sly - 1 for 24, with a run out and a “mankad”.

In reply Narooma lost early wickets to be 3 for 12 before a partnership between Liam Sweeney and Connor Breust steadied the slip, putting on 30 runs together. Unfortunately once Connor was dismissed the tail failed to wag and the boys were all out for 75 in 26 overs. Well done to everyone on a very competitive match against a far more experienced opposition.
